FINANCE AND MINING.

Upward Movements During the Past Week.

ORE AND BULLION OUTPUT.

Local Stocks—Upward Prices—Bank Receipts—The Calumet—General Intelligence.

There is a decidedly improved feeling on the street with regard to present and future business. A number of houses interviewed by a reporter stated that their sales for October were either very close to or that they ran over those for October last year. Lead has again taken an upward shoot, and the price of grain continues stiff, two features upon which everyone in this Territory may congratulate himself.

The Electric Light Company paid its quarterly dividend of 3 per cent. on the 10th. The Gas Company paid a 3 per cent. dividend during the first week in this month, which makes a 10 per cent. rate for the year.

Recent Legal Decision.

INSOLVENT DEBTOR—PREFERENCE.—According to the decision of the Supreme Court of Illinois, in the case of Hanchett vs. Kimbark et al., decided on September 21, an insolvent debtor may prefer one creditor and pay him in full, though it exhausts all his means and leaves him nothing with which to pay his other creditors, who are equally meritorious; and a creditor may use whatever persuasive abilities he may possess to induce his debtor to turn over his property to pay him in full, in preference to all others; and though they may receive nothing, the conduct of such creditor in so doing does not render him in law, whatever the moral aspect may be, a mala fide purchaser, and by reason thereof, chargeable with notice of any defect in his debtor's title to the property, or of any fraud in his purchase of the same, and this is the law, whether the creditor purchases the goods in absolute payment of his debt, or obtains a transfer and delivery of them into his possession as security for its payment, and agrees to account to his creditor for any overplus after his debt is paid.

Ore and Bullion.

The receipts of ore and bullion at the various banks in this city for the week ending Saturday, November 21, amounted to \$117,335.47 against \$123,517.39 for the week previous. They were reported as follows:

By Wells, Fargo & Co.:	
8 cars Hanauer.....	\$30,620.00
Queen of the Hills ore.....	6,395.00
Spanish ore.....	2,100.00
Crescent ore.....	5,800.00
Lead Mine ore.....	2,700.00
Sampson ore.....	2,800.00
2 bars Stormont.....	2,800.00
Total.....	\$40,385.00
By T. R. Jones & Co.:	
8 cars Germania.....	\$18,427.28
By the Union National:	
24 bars Alice.....	\$24,832.19
Lot 6 Bannock 8½ tons.....	2,247.00
Total.....	\$27,079.19
Total shipments for week, \$117,335.47	

The output of base bullion and ore for the week past on both roads was:

30 cars bullion.....	735,706 lbs
19 cars ore.....	543,550 lbs
49 Total.....	\$1,279,256

The Calumet.

The first shipment under the new regime came in yesterday and assayed forty ounces silver and from 50 to 60 per cent. lead. The Niedringhaus party have commenced the erection of hoisting works, and have otherwise begun operating in good earnest. In the spring they will build extensive operating works.

The Northern Belle.

That indefatigable organizer, Ed. Brim, is at work again on a new company, and has nearly succeeded in putting into shape "The Northern Belle Manufacturing Company," which adjoins the Courier-Join Wood River and which includes the Belle and Old Judge properties. That the scheme is no light-rasted affair, can be judged by the following list of subscribers:

	Shares
M. Shaughnessy.....	10,000
Boyd Park.....	10,000
W. S. McCormick.....	1,000
A. Anderson.....	10,000
B. H. Conklin.....	10,000
R. G. McMillan.....	10,000
Samuel Paul.....	10,000
E. E. Brim.....	10,000

Mr. Brim will leave to complete the purchase as soon as the remaining twenty shares are subscribed. The capitalization will be for 100,000 shares at the par value of \$10.

Crescent.

The receipt of \$5,800 worth of ore during the week has had no effect on effect on the stock; 75 cents offered and 90 cents asked are the latest quotations.

Apex.

Captain Joab Lawrence yesterday stated to a reporter that no more shipments would be made until some "fresh ore" were run across. The stock continues unobtainable at 40 cents.

The Queen.

Dividend No. 6, of 10 cents per share, (\$12,500) has been declared payable on Wednesday. The amount thus far paid to stockholders is \$32,500.

New York Market.

Alice was not quoted, Moulton sold at

\$1.25, Ontario touched \$30, but receded to \$28, and Stormont advanced to 10 cents.

Horn Silver.

There continues the same dead lull in all intelligence from the mine. Local dealers have been purchasing during the week, through the Deseret National, at figures varying from \$1.90 to \$2.05, which is an indication that there is still faith in the great lead producer of the past.

The Rose of Death!

Before the Hectic Rush, which has been poetically called "The Rose of Death," appears on the wasted cheeks, and the cough, which always precedes it, arrested with "Hale's Honey of Foreboding and Tar," the most powerful antidote to pulmonary disease ever offered to the world in any age or country. Price 50c. and \$1. Great savings to get large size. Pike's Toothache Drops cure in one minute.

Nervous, Debilitated Men.

You are allowed a free trial of thirty days of the use of Dr. Dye's Celebrated Voltaic Belt with Electric Suspensory Appliances, for the speedy relief and permanent cure of Nervous Debility, loss of Vitality and Manhood, and all kindred troubles. Also, for many other diseases. Complete restoration to health, vigor and manhood guaranteed. No risk is incurred. Those having friends in Europe that they wish to help, will do well to secure their tickets at once. J. A. Peterson, Merchant and Immigration Agent, No. 67 E Third South Street. P. O. Box 399, Salt Lake City.
